It has been observed that the House Numbering in the Corporation area is incomplete, not proper; in some cases it doesn't follow any order. To cover each and every house hold with house number for proper Administration, Management an approach needs to be developed.

The Scope of work in details is as below-

2.1.1 The main scope of work is to assign and fix House Number to House Hold within Guwahati Municipal Corporation Area residing without a house number. All House Hold including the vacant land also needs to be assigned House Number. In doing so, the old number of the house and the pattern of old house numbering should be taken in to consideration.

2.1.2 As part of the work, the selected bidder would be required to do extensive survey of each and every ward of Guwahati Municipal Corporation and prepare a ward wise report on existing pattern of House Numbering in the city with due consultation with stakeholder. A robust database needs to be prepared as per the format fixed by the corporation for the whole city.

2.1.3 The bidder has to develop mobile based application for digital data capture in proper platform. Location of the each and every property needs to be collected during the survey as below –

- Data capture such as House name, location (Latitude and Longitude), Address, date, Property Picture and other required information.
- Data storage in a central database
- User access to database to retrieve info
- Notifications/alerts
- Query/search function
- Table and report formats
- Interface and synchronization with other information systems
- Function across multiple sites
- Kind of work generated by data; e.g. track work-in-progress,
- Validation required

2.1.4 Preparation of a proper plan for new House Numbering including Approach and Methodology

2.1.5 Submission of Detail specification and sample of House Numbering Plate with information to be incorporated

2.1.6 Rate of the House Numbering plate will be fixed by the corporation which will be borne by the citizens.

2.2 Date of completion of work for component 2.1.2, 2.1.3 and 2.1.4 should not exceed 6 (Six) months from the date of signing of agreement between GMC and the selected bidder. Any extension needed by the selected bidder beyond this time period shall

require permission from GMC in writing. GMC may grant the extension with imposing a fine (the rate of which will be mentioned in the agreement) or without imposing any fine or terminate the selected bidder as it deem fit.

2.3 The selected bidder will have to make all its accessories and bear the overhead costs including cost for travelling, halting, etc for their personnel for implementation and execution of the work at each location.

3. **Pre Qualification Criteria:**

The bidder should have-

3.1 An experience of 4 years in the relevant field.
